

To Honorable Timothy L. Brooks or  
To whom it may concern,  
my name is Peng Chanthalangsy  
and I have a public defender federal  
name Jack Schuster. I was told  
that I can write to the judge  
to ask if I can get a different  
public defender. I want a different  
public defender because Jack Schuster  
had brought a translator/investigator  
to speak with me and when I  
tried to speak Laos to him he  
did not understand. Then Jack says  
he only spoke Spanish. And also  
Jack had informed me that the  
court date had been moved to  
July 17 2017 instead of June 5th.  
saying that it was a July trial.  
Then a couple days later I got mail  
from Jack say the pretrial is  
going to be on July 12. I  
don't know what a pretrial is and  
why he didn't tell me when he  
came over so I could have asked  
him but I feel he is not helpful  
to me also because everything that I  
had asked he declines to do. Such as  
when in court the judge asked →

if I had wanted a detention hearing. I told Jack yes, but Jack says not at this time. And then we went to court once more and he says not at this time again. When the judge asked, I had told Jack multiple times that I wanted to go home and for the detention hearing. The detectives that took my phone told me at the court room that I can get my contact numbers off the phone I just have to tell Jack to get it for me. And I told Jack and he says he would but I still haven't gotten them, and says that he can't get them even when the detectives says he can. If I can get a different public defender I would appreciate it.
